**Sacred Heart, Oklahoma, October 1909.**

October is the month especially consecrated by the Church to devotion to our Blessed Mother by means of the Rosary.

The Rosary has been in former times a most powerful means of invoking the Divine Aid in the necessities of the Church. By its means St. Dominic saved great provinces from the corruption of heresy and to it Pope St. Pius V. ascribed the great victory of Lepanto by which Europe was saved from Mohammedan chains.

The Church has great battles to fight to-day, and great victories to win and it is by the prayer of the Rosary that her faithful children may call down God's help and blessing upon her work.
